

Moving to Adult Health Care

New Online Resources for Youth/Young Adults with Disabilities, Families, and Professionals

Health Care Transition Resources

- Are you a teenager or adult with a disability who is ready to move into adult health care?
- Do you need help learning how to get started moving to adult health care?
- Are you a family member, teacher, transition coordinator or other professional who is interested in helping youth and young adults make the move to adult health care?

Join Us to Learn About:

- The new website and new materials
- How to use the information
- Different formats to use at your own speed
- Activities to assist youth and adults in making a transition plan
